Lumico Life Insurance Company
Medicare Supplement Agent Program 2020

Lumico's Medicare Supplement (Med Supp) product offers competitive pricing, attractive compensation, and a simple, digital application process. With this in mind, we're excited to once again run a limited time promotion (the Program), rewarding individual agents who sell Lumico policies.

How it works:

Eligible agents who sell four or more Lumico Med Supp qualifying policies during the Promo Period will be entitled to receive an Amazon Fire HD 10 tablet.

Tablets will be shipped to qualifying agents after they meet the criteria.

"We look forward to growing our business relationship over the coming years!"
