Anthem's One-Stop Certification Site Opens June 27!

May 9, 2018

With 2019 AEP right around the corner, Anthem's one-stop certification site will open June 27. The America's Health Insurance Plans (AHIP) compliance training site is available **starting June 19**.

Certify with Anthem beginning June 27 and save time and money. Anthem makes certifying easy. By accessing our Medicare Certification Training Center through the Producer Toolbox (PTB) beginning June 27, you can complete all modules under 2019 AHIP Compliance Training and 2019 Anthem Product Training in one convenient location. In addition, by using the Anthem PTB to complete your certification, your access code will automatically populate AND you will benefit from a \$50 discount off your certification fee.

If you choose to take the AHIP courses directly from the AHIP website, you will not be eligible for the \$50 discount and will need to return to the Anthem Medicare Certification Training Center through the Producer Toolbox on June 27 or after to transfer AHIP credits to us for the 2019 certification year. Make your life easier during this busy time of year and certify using Anthem's One-Stop Medicare Certification Training Center opening June 27.
