You'll notice changes to your commission statement for Medicare business coming in March 2021.

Whether you get your Commission Statement from Producer Toolbox or by mail, you'll see a simpler, easier to understand format. Some of the highlights include easier navigation, improved member tracking and more clearly defined data.

In addition to commission statement enhancements, payment for adjustments will move to a weekly payment cycle. No more waiting for a month for corrections to show up in commission payments, making it easier and faster to reconcile your book of business.
