

# CANCER COVERAGE OPTIONS

Cancer coverage can offer relief by giving you resources to manage a cancer diagnosis with:

- A lump sum cash payout to cover costs for travel, second opinions, or uncovered costs of care
- Help to cover experimental treatments not covered by insurance
- Help with covering costs of loved ones that help with your care

*These plans provide a simple way to cover common costs that will be faced by 40% of people.<sup>1</sup> As we age, the potential of receiving a cancer diagnosis can increase. Below are a few options to ensure you are prepared and can access the care you deserve!*
