

## NEW BENEFITS ARE AVAILABLE TO YOU

---

Thank you so much for your allowing me to help you with your Medicare coverage. I wanted to reach out to inform you that I recently began offering a new Hospital Indemnity insurance plan and wanted to make sure you were afforded the same great opportunity as all of my clients.

Hospital Indemnity insurance plans provide great coverage at a fair price. It's an excellent way to help protect you from any unexpected costs arising from hospital stays that your current coverage may leave you exposed to.

If you're interested, please give me a call, and I would be happy to review this benefit with you. Together, we can explore if this is a good fit for your healthcare plan.
