

WHY YOU SHOULD BE ASKING YOUR AGENT ABOUT HOSPITAL BENEFIT PLANS

- Are you prepared to cover \$1,500-2,000 of out-of-pocket costs left behind by your Medicare Advantage plan from a hospital stay?
- These plans can also provide funds for expenses such as an ambulance ride or skilled nursing and outpatient services
- Many plans will allocate funds to pay for the unexpected costs of cancer such as travel, food, time off, and medical costs
- It is your money and you can use it the best way you see fit
 - Pet care while you are in the hospital
 - Copays and deductibles you may see from your hospital stay
 - Lawn care while you are in the hospital
 - Expenses your family may face while coming to visit you
- These are very customizable plans, ask your Medicare Agent today to set up the best plan for you and your needs in the time of a crisis
